Pertinent Public Health Code Section: 19-13-B97(b)(1): "The management of any family campground organized for profit or otherwise shall register annually in writing with the director of health of the town, borough or city in which such campground is located. Such registration shall describe the campground, its location, the number of campsites, the expected dates of operation and the responsible individual to be contacted for information. Registration shall be made sixty days in advance of opening to allow time for adequate inspection by the director of health or his authorized agent and for necessary improvement."
