Serving the Communities of Bozrah · Franklin · Griswold · Lebanon · Lisbon · Montville · Norwich · Preston · Salem · Sprague · Voluntown

Signature of Installer: ____

- The installer must present a copy of his current license and valid photo ID, and sign the application in person at the District office.
- A set of house plans must be submitted with the application for new construction.
- > The applicant for site testing must arrange for a backhoe and supply 10 gallons of water on-site.
- A minimum of 4 test holes and a perc test, in the primary and reserve areas, are required per lot.
- An accurate plot plan, to scale, must accompany the application.
- The fee must be submitted with the application prior to testing the lot.
